JMG Actions

13

- **Increasing the number of citations**
 - Solicit good review articles (Review articles are usually well cited)
 - Publish some methodology articles (These too are usually well cited)
 - Encourage authors to cite articles in the Journal (self citations should be less than 20%)
 - Publish special issues on hot topics at the beginning of the year (this gives more time to accumulate citations)
 - Improve article quality (strict review process and check for plagiarism)
 - JMG is a member of COPE (Committee on Publication Ethics)
 - JMG is using iThenticate software
